Students are eligible to receive a diploma and walk in the commencement ceremony when they have completed all required coursework with a minimum cumulative GPA of 3.0, resolved all Incompletes for required courses, paid any outstanding charges, and submitted this completed Graduation Application to the Office of Student Services.

A student will be awarded a diploma with the graduation date for the term in which degree requirements, including submission of any supporting documents, have been met. Although coursework may have been completed in a prior term, the degree will be awarded for the term during which all academic and administrative requirements have been satisfied.
